POST 14

2215 N 7TH ST. COEUR D'ALENE, ID 83814

June 1, 2019

An open letter to the community of Coeur d'Alene,

American Legion Baseball enjoys a reputation as one of the most successful and tradition-rich amateur athletic leagues. Today, the program registers over 5,400 teams in all 50 states, Canada, and Puerto Rico. Almost 100,000 youths, ages 13 to 19, participate annually. Since its inception, the league has had 10 million players, and nearly 60 percent of current college players are program graduates.

On a local level, Coeur d'Alene Lumbermen Baseball Club is proudly sponsored by American Legion Post 14 in Coeur d'Alene. CDA Lumbermen Baseball has taught thousands of young Americans the importance of sportsmanship, good health, and active citizenship, while playing baseball at the highest level. CDA Lumbermen Baseball has been, and continues to be, a stepping stone to adulthood.

CDA Lumbermen Baseball is comprised of four teams, ages 13-19, all of which play in highly competitive leagues and tournaments throughout the northwest. The Lumbermen coaching staff includes some of the best coaching talent in the area. Most of our coaches played college baseball and some went on to a professional level. Many are community leaders with jobs ranging from current coaches, teachers, business professionals, and government employees.

We average 60 players within the program every year. Each player is asked to raise their player fees through sponsorships. The sponsorships range from selling advertising to local businesses for our program in the CDA Press to player's families sponsoring them, and many options in between. Sponsorships account for 80 percent of our program's budget and help keep our player fees affordable.

On behalf of the CDA Lumbermen Baseball Club, I would like to say thank you to this community for the many decades of support.

Sincerely,

Mike Thompson
President
CDA Lumbermen Baseball Club
American Legion Program
