

# CEDAR PARK HIGH SCHOOL BASEBALL NOTES FROM COACH HUFFMAN

**WEEK OF  
2/9 - 2/14**

We had another great week of work with our full slate of scrimmages. As a coaching staff, we are incredibly proud of how all three teams are playing. We have done a great job of playing harder than the other team every chance we get. We are getting better every time we step on the field and should be rolling full steam ahead once the regular season starts.

I cannot say thank you enough to everyone who came out and helped us have a successful Field Day. We were able to touch up the bleacher paint, install the new grill pad, clean up the ballpark, and assemble several of our new screens for the batting cages. We are still working out a plan to expand our PlyoCare wall and look forward to getting that done soon.

I know we have an extended weekend coming up with school being out on Thursday, Friday, and Monday, but we will still have practices or scrimmages on those dates.

Also, do not forget about our Media Day and Alumni Game on Saturday (2/14). This will be a fun event for everyone to connect and enjoy seeing our alumni come back and check out the new turf field!
