VARSITY BATS GET HOT DESPITE THE COLD AGAINST VISTA RIDGE

Our Varsity squad got out and competed well against Vista Ridge. Despite the cold weather, the team put together an impressive outing from start to finish.

On the mound, things got started by Kyle McClure. Kyle threw 2 complete innings, allowing just 1 hit and striking out 3. Griffinn Giltrap followed that up with an impressive outing himself, throwing 2 complete innings and striking out 2. David Stephens took the mound and struck out 6 in his 2 innings of work.

At the plate, the Timberwolf bats got hot despite the cold weather. Frontlined by Mack Galindo with a 2-RBI triple, Giltrap also added to the scoring with 2 RBIs himself. Brandon Washburn, Damian Alonzo, and Owen Mansfield contributed RBIs of their own.

The Timberwolves showed great things heading into our final tune-up on Monday against Georgetown.

JV GREEN COMES UP SHY AGAINST A TOUGH VISTA RIDGE TEAM

The JV Green played hard this week despite the cold weather, but came up short against Vista Ridge.

On the mound, it was a group effort to pitch 7 complete innings. Combined, our pitchers were able to strike out 6 while only walking 2. They also allowed

only 4 earned runs on the day.

At the plate, there were a ton of good at-bats. The hitters were led by Kayaan Kotharia, who had 2 hits and 1 RBI. Cooper Camacho also contributed at the plate with a big 2-RBI double. Jackson Diver rounded out the scoring with 1 hit and 1 RBI as well.

We are incredi-

bly proud of this squad as they wrapped up their scrimmage season and are headed into the tournament phase. Big things are coming from this group.

JV SILVER COMPETES IN BOTH SCRIMMAGES THIS WEEK

The JV Silver came out and impressed once again against Vista Ridge. This was a great final tune-up before heading into the season.

On the mound, the pitchers came out and competed well once again. They attacked hitters, limited walks, and forced hitters to swing the bat. They were also backed up by solid defense behind them, allowing Vista to score only 1 run.

At the plate, the JV Silver continued to swing hot bats as they pounded the baseball all over the yard, putting it together to score 5 runs.

This group is now headed into the tournament phase of the season and will be busy all week. We cannot wait to see what the season holds for these players.
