## VARSITY COMPETES HARD AGAINST QUALITY ROUND ROCK SQUAD

The Varsity squad showed a lot of great things against a two very strong Round Rock High Schools, Round Rock is a perennial playoff team at the 6A level, and Cedar Ridge who will be another 6A Playoff Team.

We saw a ton of quality performances on the mound from our pitchers. We competed well and limited hits early. We were proud of the fight our pitchers showed, never backing down from a challenge.

At the plate, we saw a ton of quality at-bats put together in a row at times. We limited our strikeouts and put the ball in play quite a bit, forcing their players to make tough outs. We also saw some big pop from parts of our line-up.

These were a quality scrimmages for us as a program, as they pushed us to be at the top of our game for an extended period of time. Our players battled hard and competed from start to finish.

## JV GREEN SHOWS GRIT ALL WEEK

The JV Green showed us a ton of grit this week as they went out and competed through a full week of scrimmages.

They opened the week against a very strong Round Rock High JV team. On the mound, we were able to put together one quality inning after another.

We saw our pitchers continually throw strikes and challenge their hitters to hit tough pitches. We also saw our fielders flash some quality leather to back our pitchers up. There were also a ton of really good at-bats from our hitters.

The JV Green closed the week with a great showing against Cedar Ridge. Again, we saw our pitchers

challenging hitters consistently, making them have to hit tough pitches. Our hitters did not shy away from the challenge and got out and competed as well.

We are looking forward to seeing this team get out and compete again.

## JV SILVER COMPETES IN BOTH SCRIMMAGES THIS WEEK

The JV Silver showed a ton of great things as we progressed through this full week of scrimmages.

On the mound, we saw some very promising things from our pitchers. They pitched with great pace and continually challenged hitters to try and hit good pitches. They never shied away from anyone this week. We also saw them flash the leather on several very good plays in the field. We moved a lot of players around to different positions to continue their development as all-around

baseball players.

We also saw our hitters get out and swing some hot bats this week. We put together some very high-quality at-bats in crucial situations.

While the score may not have gone their way this week, as a coaching staff, we could not be more proud of the hard fight our players showed inning after inning.

We cannot wait to see these guys keep developing as we move through the season.
