## WEEKEND OF GOOD COMPETITION PREPARES THE VARSITY FOR THE START OF DISTRICT

The Varsity Squad had a tough lineup of competition this weekend in the Leander ISD Varsity Tournament as a final tune-up leading into the start of district play next week. The team fought hard and showed great improvement throughout the weekend.

We opened the weekend with a tough battle against a very strong Vandegrift team. The game got away from us late, and we dropped it 9-1. We then turned around for the doubleheader and faced Austin Anderson. Again, with a late stumble, we fell 9-8. On Friday, we started the day with Laredo United, where we fought back but came up short, losing 6-5. In the nightcap, we took on Hutto and came out victorious 5-1. We rounded out the weekend against Round Rock and fought hard but fell 3-0.

This was a great weekend of competition to set us up for district play this coming week.

## JV GREEN HAS GOOD WEEKEND BEFORE DISTRICT

In a final tune up before the start of district play the JV Green showed a lot of good things before the start of district.

Opening the weekend with an impressive 12-9 win over McNeil. They then turned around in the double header and dropped a close one 7-3 to Liberty Hill. On Saturday they opened the day with a quality 10-1 win over Lake Belton. Then on the back end of the double header clawed back hard up came up just shy in a 6-5 loss against Cedar Ridge.

This team is starting to click and will hit the ground running in district.

## JV SHOWS GOOD THINGS ON THE WEEKEND

The JV Silver competed well this weekend as they prepared for district play.

They opened the tournament with an impressive 8-0 win over Vista Ridge. In a game that got away from them late, they dropped one to Liberty Hill 8-4. Battling through tough winds and cold on Saturday, they fought hard but came up short, losing 5-2 against Lake Travis. Rounding out the weekend, they were able to complete the comeback and walk away with a 9-7 victory against Cedar Ridge.

This team is starting to play well at the right time and still has their best baseball ahead of them as we head into the district season.
