

2017-18 Scoreboard Advertising Plan

This scoreboard was recently installed in April 2017. After several years of fundraising, the Desert Mountain Baseball Boosters, with support from community sponsors and parents, reached our goal of purchasing a much needed scoreboard for our team. Your ad will receive year-round visibility while supporting continued field improvements.

3 Year Ad Package

Year 1 - \$5000

Year 2 - \$2500

Year 3 - \$2500

Your advertisement would consist of a 2' x 10' panel with a 2-color logo. This will be installed at the bottom left or right side of the scoreboard. This area allows for two advertisements. If you would like maximum exposure you may purchase both spaces for a 2' x 20' ad panel. Upon receiving a signed advertising contract, you will need to provide artwork to Precise Signs who will produce and install the panel(s).
