New Business

Rescheduled Games – All games that have been cancelled have been rescheduled.

Game Statistics - Article 6. Paragraph H. Team League game statistics must be entered on the Eastern Minnesota League website. The statistics for batters and pitchers must be entered every Tuesday and include all games played since the last update. A fee of \$25 for each unreported game will be assessed.

St. Francis is assessed a \$25 Fee for the June 27th game with Princeton.

Umpire Issues: The major problem facing umpire assignments is the work load caused by non-league games scheduled at a short notice instead of being scheduled well in advance.

Team Rosters - All Team rosters from all three leagues were reviewed. No additional new Player Contracts will be accepted after the June 30th deadline.

The team ScoreMonster roster will be the official twenty five player post season roster.
