Princeton Town Team History

Town Team Baseball has been a part of Princeton since the 1880s when the local team would travel to nearby towns by horse and buggy or train to play baseball. The 2022 Panthers continue the tradition of "Town Ball" by playing in the Eastern Minnesota Baseball League. The roster is made up of former highschool and college players from Princeton and the surrounding area. No trains or horse and buggies are needed for travel anymore but, the Panthers enjoy representing Princeton in their area league and statewide. Princeton Baseball Town Teams have been to the State Amateur Baseball Tournament 18 different years (1935, 1975, 1979, 1989, 1992, 1994, 1998, 1999, 2000 "C" 2nd, 2001, 2002, 2003, 2004, 2005, 2007, 2009, 2018 & 2021). "Town Ball" is played like baseball was meant to be with wood bats, green grass and playing for bragging rights for your town.

Minnesota Amateur Baseball Hall of Fame

Minnesota is a state that loves its baseball. The state has a glorious past of minor leagues, semi -pro teams and of course, town teams. It is these small town teams that are the link from past to present. The Minnesota Amateur Baseball Hall of Fame preserves Minnesota's rich baseball history and passes it along to future generations. The Hall of Fame Museum was founded in 1963 and is located on the second floor of the St. Cloud River's Edge Convention Center and is open year round - FREE of CHARGE! The museum houses many artifacts from Minnesota's grand history of amateur, town -team baseball and celebrates other levels of the game in the Land of 10,000 Lakes, including: minor leagues, college, high school, American Legion and VFW. It also honors Minnesota born players to reach the Major Leagues. Items such as uniforms, caps, photos, bats, balls, gloves and programs are all on display. The Eastern Minny is well represented!
