

East Kettering Recreation Baseball & Softball Club is a non-profit organization that strives to offer an instructional, fun program for our players and their families. We emphasize good sportsmanship, teamwork, integrity and courtesy. For 70 years, EKRC has been serving the youth of Kettering and surrounding areas.

Your financial support is needed to continue providing quality baseball & softball to the youth of Kettering. Last season EKRC provided over 900 area youth an opportunity to play in an organized baseball and softball program. This year our program will continue to keep individual fees affordable. As a result, we rely on our local businesses and organizations to help us provide the best experience possible for our participants. Each year the generosity of our sponsors helps us buy new baseball and softball equipment, purchase field maintenance products and buy supplies needed to keep our league running smoothly. We hope that we can count on you for your continued financial support!

All sponsorships are advertising tax deductible. Your sponsorship is a very affordable means of advertising your business, both on our web site and on our uniforms.

All sponsors of \$300.00 will receive a plaque with a photograph of the team and your business name on it. We will also place your business name on the sleeve of each shirt of that team. (Approximately 17 shirts for each team)

Your sponsorship will also be placed on our Web Site www.ebrcbaseball.com with a link going to your local businesses and organizations.
