

# HENRY CLAY BASEBALL

Teachers,

The player giving you this form is interested in trying out for the Henry Clay Baseball team this year. If you could, please fill out the sheet with their current grade in your class and any necessary comments in regards to attitude, effort, and behavior. We truly appreciate you taking the time to do this to let us know how these young men are doing. If you have any questions or comments, you can email me as well.

Thanks,

## Jordan Tarrence – Head Baseball Coach
