

Holtville Bulldog Baseball

Home Plate Sign Advertising Agreement

After an amazing 2023 season, the Holtville baseball program is looking to make some big improvements to our facility. One improvement will be the look of our advertising signs. Your business sign will now be a replica of home plate, and displayed on our newly constructed sponsor wall. The sponsor wall will be visible to all who enter Smart-Collier field for any of the 42 scheduled home games. Your sign can advertise your company's logo, phone number, website and QR code. We believe this new advertising display will not only improve the look of our field, it will also help your business be more visible. Businesses must email all information they wish to put on their sign (Logo, phone number, website, etc.) to hhsbaseballrbi@gmail.com. We will only put the information provided through email on your sign. Emails and sign purchase agreements are due January 31st, 2024. Thank you for supporting your 2023 5A State Champions!

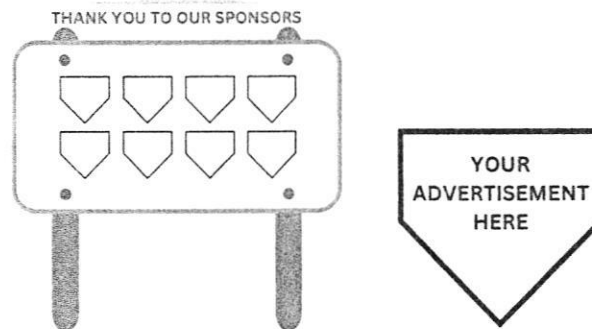

Company Name _____

Contact Name _____

Contact Number _____

Player Responsible for Sign _____
