

2025 Hornell Steamers

SPONSORSHIP OPPORTUNITIES

The Hornell Dodgers first took the field in 1994. The organization will celebrate 31 seasons of collegiate summer baseball in 2025. The franchise is the oldest franchise in the NYCBL.

Operating the Hornell Steamers is a \$60,000+ operation and the Board of Directors that plan and run the team are non-paid volunteers

Please look over the sponsorship packages that we are offering in 2025. We are very willing to work with your business/organization to design a sponsorship that meets your needs.

Please don't hesitate to contact me if you have any questions about the sponsorships. Myself or one of the members of our sponsorship committee will be happy to call or meet with you as well.

The reason I love Hornell so much is because it reminds me so much of where I grew up, in its own unique way. The area where I grew up is fairly rural, very similar to Hornell.

Small town organizations, like the Hornell Steamers, rely heavily on sponsorships and private donations from community members and local businesses for funding.

It would be greatly appreciated if we could get you to sponsor or donate to the Steamers for the summer of 2025.

We have a variety of opportunities for our sponsors, and the Steamers would be happy to help our sponsors in any way we can.

I truly believe that if you decide to support the Steamers this summer, you would be proud to be a part of the family. Just as you would invest in us, we would make it our priority to invest in you and your business.

Our goal is to make sure that the Hornell community has a team that they are proud to support.

Your support will help us give the players an unforgettable experience this summer in Hornell.
