Dear Prospective Sponsor,

Highlands Ranch High School Baseball is asking you to be part of our future. One of the key aspects to maintaining a quality high school baseball program is support from the community. Please consider an investment in a program to provide our local youth the opportunity to learn life lessons through the sport of baseball. Each year we seek to partner with community businesses for corporate sponsorships in order to continue to develop our players physically and mentally to compete as a team. Our program requires good sportsmanship, solid academics, and a charitable attitude from all our players.

In order to continue to provide this positive experience for our youth, we are reaching out to our community for support. Your sponsorship will help fund expenses such as umpires, transportation, equipment, and field maintenance, helping to ensure the success of our program. Fundraising, sponsorship, and parental donations adding up to approximately \$25,000/ year are the only way to make ends meet. Fortunately, our contributors have found our sponsorship to be mutually beneficial. Not only will you be partnering with a reputable local team, but your company will be gaining valuable exposure in Highlands Ranch and the surrounding areas. We are a chapter of the Douglas County Educational Foundation, a 501 (C) corporation so your contributions are tax deductible within the limits of the law.

We hope you are interested in developing a partnership with the Highlands Ranch Falcons baseball team this season and for seasons to come. We have several sponsorship levels available; however we are grateful for any contributions and are happy to discuss different options. If you would like to become a sponsor, please fill out the attached information form and submit it with your contribution. When your information is received you will be sent a charitable donation receipt with our tax ID number.

If you have any questions, please contact me at the email below.

Sincerely,
