

Dear HBHS and HB Oiler Baseball supporter:

With the 2020/2021 school year upon us, preparations have already begun towards another successful season for the HB Oiler Baseball program at all levels.

I am proud to be a part of this program. Our Baseball Booster's team and I understand that we are not just representing our school, but also the community at large. It's fun to compete and win, but I am also learning that there is a lot of effort that goes into providing us the opportunity to be successful on the field. I appreciate the efforts put forth by our coaches, trainers, family, fans and the community at large to continue to help us compete on and off the field.

As you are probably aware, high school sports programs in California are entirely self-funded. It costs a lot to operate a successful baseball program. Our program pays for such things as coaching, maintenance of our beautiful field, equipment and umpires. It also pays for tournaments and games at other venues where we can compete against some of the best teams from our state and around the country.

This year our program will do everything it can to play as many games & tournaments as possible in light of COVID-19. These events are crucial to keep our kids playing the best teams in the country! To ensure we cover these expenses, we require support from the community and we return that support through various volunteer efforts such as beach clean-ups and helping at our local senior center.

I am writing to you to ask for your much-needed support and invite you to be a part of another special season of Oiler Baseball. Without the support of our families, friends, local community and businesses over the years, The HBHS Baseball Program would not have become the nationally recognized program that it is today.

My goal to support our program is to raise enough money through sponsorships and fundraising efforts.

Please consider making a monetary contribution on my behalf. Note that the HBHS Baseball Booster Club is a non-profit 501(c)(3) EIN #27-3278495 and your contribution may be tax deductible.
