Dear Community Partner,

The Muskego Warriors Youth Baseball program is dedicated to providing the best development for U7- U14 baseball players in our community. We prepare them for high school and college-level baseball through elite coaching and instruction while focusing on fundamentals and continuous improvement. Training is provided year-round through team practices, focused one-on-one instruction and specialized clinics. Most importantly, we are committed to keeping the game fun while fostering respect for teammates, opponents, umpires and the game. We also encourage our players and families to give back to the community with various volunteer opportunities.

As we begin planning for our 2027 season, we are seeking community and corporate partners to support us by offsetting costs and supporting your favorite Warrior. Your generous contribution is tax deductible and will support baseball needs such as:

- Updates to our indoor training facility
- Tournament registrations
- Travel experiences
- Offsetting players fees
- New equipment and more

In return for your generous support, we have several levels of sponsorship benefits available as outlined on the second page. Our hope is that you or your organization will find a partnership and exposure benefit that is right for you.

On behalf of our over 100 players and their families, we appreciate your consideration and look forward to partnering with you during the 2027 baseball season. Go Warriors!
