Just some important reminders, Scoreboard and Announcers are exempt from all other duties during the spring. These positions are hard to fill and the families doing these tasks are taking a huge weight off of our shoulders by doing this.

If you are working at the Gate please show up 1 hour prior to game time. For concession and grill duty please come 30 minutes early to set up, Time listed above is game time.

Thanks in advance for all your help! Baseball season would not be the same without all of you! Our boys are very lucky to have such awesome parents.

If you CAN NOT work your Duty please find a replacement. This is your responsibility.

AND LAST if a game is rained out or the schedule gets moved around we will email the people on the schedule to let them know. When that game is rescheduled, you are still responsible for those duties.
