

Dear North Allegheny Baseball Families,

We want to emphasize the importance of our fundraising efforts and the impactful role your membership contributions play in enhancing the experience for our teams and players. While we're fortunate to be part of an outstanding school district with access to top-rated facilities and coaching staff, many essential aspects of our program are entirely funded through the baseball boosters.

Fundraising and membership dues are crucial for providing a supportive and well-rounded environment for all players. Here's how your support will be used:

1. **Essential Gear:** Funding the purchase of vital equipment, such as baseballs, bats, practice apparel, a motor for the pitching machine, and potentially another pitching machine to help our athletes excel.
2. **Communication Tools:** Providing catchers' communication systems and a new turtle net to enhance practices, per coaches' requests.
3. **In-Season Support:** Supplying meals for middle school and high school teams during doubleheaders, WPIAL and PIAA playoffs, and Marburger chocolate milk after workouts.
4. **Insurance and Compliance:** Covering general liability insurance and necessary federal and state filings to ensure safe and legal operation.
5. **Scholarships:** Offering scholarship opportunities for senior players to support their continued success beyond North Allegheny.
6. **Coaching Compensation:** Funding off-season workouts and compensating coaches for their time and expertise, particularly during off-season training, to prepare our athletes for the upcoming season.
7. **Appreciation Events:** Organizing Senior and Middle School Appreciation Nights.
8. **Community Support:** Contributing to community initiatives such as Toys for Tigers and the NA Hall of Fame.
9. **Transportation and Logistics:** Covering transportation costs for long-distance trips, including coach buses, hotel stays (if required), and meals for players during travel.
10. **Communication and Promotion:** Supporting the annual fee to maintain the NA baseball website, which serves as a key communication tool for the program and provides recruiting profiles for JV and Varsity players.
11. **Team Celebrations:** Supporting end-of-season events for middle school, freshman, JV, and Varsity teams, including a formal banquet. We also provide gifts for players and coaches, senior plaques, and team photos displayed in the Athletic Department Hall at NASH.

Your support is essential to creating a thriving environment for our athletes. Together, we can make each season one to remember! Thank you for your commitment to our teams.
