Pros: play different teams, team building, baseball the entire time, weather, everything turf
Cons: Number of coaches, Supervision, 34 kids-8 coaches, not a vacation, missing 2-3 days of school/classes, money, time travel (waste 2 days travel), only 4-5 days.
-Local: Weather, number of games played, rent out turf field,
Make sure parents understand:
*No guarantee if your son makes JV/V team that they will go on trip
*No guarantee that they will play equally

Need 8 coaches for the trip if the entire team goes on the trip.
The trip is good team building
It will not be a vacation
