Message From Coach

North Vermilion has built a strong tradition at Patriot Field, winning 2 state titles, 4 state runner-ups, and 12 district championships over the programs storied history. Our coaching staff is very excited about this year's team and the chance to develop them into a contender.

Running a program does not come easy. Over the years players, parents, and coaches have worked tirelessly to improve Patriot Field. Recent improvements have been: 30x40 locker room, batting cages, sprinkler system, sound system, improved bermuda grass turf, brick backstop, wooden foul fences, metal outfield fence, and LED Lighting System. Looking to the future the baseball team will be trying to improve seating, press box, and upgrading the infield surface.

Success like this is not possible without the support of our fans. It is our hope than you join our team and become a Patriot Sponsor.

Coach Jeremy Trahan
