 SALUDA POINTE

Welcome to the 2026 Opterra Solutions Invitational Baseball Tournament, proudly hosted by the Lexington and River Bluff High School baseball programs. We sincerely appreciate your presence and participation this weekend. On the field, Lexington and River Bluff coaches and players compete with intensity and pride. Off the field, they have collaborated to deliver a first-class tournament experience for some of the top high school baseball programs in South Carolina. Thank you to our tournament sponsors for their generous support, to the volunteers who have given their time, to the families and local businesses who advertised through our players, and to everyone who has played a part in making the Opterra Solutions Invitational such a special event.

WELCOME TO THE OPTERRA SOLUTIONS INVITATIONAL

Spring baseball is here!

The 2026 Opterra Solutions Invitational Tournament Committee, along with the Lexington and River Bluff High School baseball programs, is proud to extend a warm welcome to all visiting teams, families, and fans. We hope your time here - both on and off the field - is memorable and rewarding. Recognized as one of the premier high school baseball tournaments in South Carolina, this event reflects the Lexington community's deep passion for the game, outstanding facilities, dedicated fans, and unmatched local support. Get ready to experience exceptional high school baseball at its finest.

This tournament would not be possible without the generous support of our sponsors. We extend our sincere thanks to our title sponsor, Opterra Solutions, a leader in the vegetation management industry, as well as Wilson and Associates Sports Turf for their expertise in turf management and supplies. We are also grateful for the many additional sponsors highlighted throughout this program whose contributions help make this event a success.

The coaches and players from Lexington High School and River Bluff High School would also like to thank the many volunteers who have worked tirelessly behind the scenes to ensure a first-class experience for all involved. We are especially appreciative of the visiting high school programs, their coaches, players, and families for choosing to compete in Lexington. Your participation elevates the level of play and makes this tournament meaningful for everyone. If you need assistance or have questions during your visit, please feel free to reach out to any tournament committee member or volunteer. Best of luck to all teams this weekend. Enjoy the competition, and let's "Play Ball!"

With gratitude,
 The Tournament Committee

LAND AS AN ASSET. LAND AS A LEGACY.

For more than 75 years, Milliken has advised landowners, families, and institutional investors in the disciplined management of timberland and assets. Our approach combines data-driven forestry strategy, capital planning, and long-term stewardship-aligning biological growth with financial performance. As Milliken Advisors, we continue to elevate land management through expanded advisory services that preserve capital, enhance value, and position assets for a generational transition.

As the real estate brokerage affiliate of Milliken Advisors, Mossy Oak Properties executes the acquisition and disposition of investment-grade properties. Whether advising institutional capital or multi-generational families, we structure transactions with precision, aligning objectives of ownership, liquidity strategy, and long-term land performance.
