Discussion was had over merging Junior and Little League bank accounts. Shelly will check with the City if they are ok with it.

Reports:

- Alex was to find out what other fund raisers are scheduled with OHS & MHS to schedule our trivia night. Needing to lock in the date and schedule with Shoreline. We will not be doing cookie/candy bar sales as fundraising.
- Nick Spence needs to meet with Nick Stevenson on his particular duties and what needs done.

New Business:

- Ryan & Matt went to the D20 meeting. They want charters and dues submitted. Shelly said that we do not do that until registration is completed. The major key points taken from this meeting: changes in age for brackets and eliminating sectionals and going right to state.
- Projected try outs March 4th and/or March 5th.
- Need more information on the drag that is needing to be purchased. We will split with Oldam & Varland parks. The mower has been fixed and is being put up for sale. We need all information from Mike on equipment before putting up for a vote.
- Shelly is to send a signage like to Alex once she gets access to it.

Projected next meeting is 12/18/2022 @ 6:00.
