2020 Spring Pacifica Season

Dear Local Business Owner,

The Pacifica High School baseball booster club is preparing for a new season. PHS Baseball Booster Club is a school sponsored non-profit organization that provides needed funding for our school's baseball program. Booster clubs funds provide a means towards off-setting the annual cost of uniforms, equipment, transportation and the general maintenance of our baseball facility.

This year we have kicked off several major projects designed to update the fields, batting cages, dugouts and the area where the players store their equipment. Our school district's budget does not provide adequate funding for high school athletic programs. Funding for our program, as well as others, comes from community generosity. In order to provide our players with the best possible experience, we are asking for your help.

Donations may be made through several different advertisement opportunities. Field banners are displayed on our Varsity field each season and offer the best display of your company's support. Our annual Mariner Baseball Media guide offers several choices below. Additionally we will post your advertisement on our website, (www.pacificamarinersbaseball.com) providing ongoing exposure of your company's name and support to Pacifica High School's baseball program.

Support Opportunity:

Grand Slam Sponsor \$1500-\$10,000 (includes 6X10 banner w/ full page ad)

Homerun Sponsor \$500-\$1000 (includes banner and full page ad)

Field Banners \$375.00 (\$300 renewal, if new banner not required)

Field Banners are 4'x6', with multiple color options matching your graphics.

Full page Ad \$ 100.00 Halfpage Ad \$ 75.00

Quarterpage Ad \$ 50.00 Business card Ad \$ 25.00

Other \$ _____

Projects to be completed:

Finish fencing around field

Replace fencing with netting behind home backstop
and dugouts for Fans Safety

Leveling of outfield grass and overseeding

Replace Sprinkler system in outfield

Purchase new infield mower and a new field vehicle
