

Outfield Advertising Banner For Bowling Green High School Baseball

New turf has been installed and the new LED lighting system will be shining bright for the 2024 Season. The outfield fence will be replaced with a new black background and all sign banners will be black with white lettering. Currently, there are over **70 games** scheduled on the field for the Spring of 2024 and additional games in the Summer.

We would appreciate your support as we kick off the new field!
