Harrison High School SUMMER CAMPS 2021

SUMMER CAMPS
 The emphasis is on quality at all Raider Summer Camps. Each program is directed by Harrison Raider varsity coaches. Campers will receive the same expert instruction that our high school athletes receive. Several camps will feature Harrison High School past and present athletes.
 Harrison High School's Athletic Department is offering thirteen camps. Information on dates, times and cost is included in this brochure. Confirmation, along with more detailed information, will be emailed prior to the start of each camp. Most of the 2021 summer camps will be held on the Harrison High School campus. By-laws of our governing body (IHSAA) prohibit Harrison High School students from participating in camps as campers but allow them to help with the camps.

The Harrison High School Athletic Department is committed to the development of a well – rounded summer camp program for children in Tippecanoe County and surrounding communities. Each camp gives young athletes an opportunity to improve his or her skills and have fun at the same time. Campers receive excellent coaching, experience Harrison's campus and meet other athletes from the area with a variety of backgrounds. We are confident they will benefit from this experience and have a memorable time.
