Voting - Booster Club Members

- We will be voting on two items after today's meeting.
- Only Paid Booster Club Members can vote.
- If you have a single membership, only the person who signed up for the membership gets to vote.
- If you have a double or above membership, you get two votes for you and the one other person you listed on the form.
- Voting is done through Stack Team App so make sure each person who can vote has joined Team App!

Vote #1

- Upgrading the cameras used by SHN to broadcast our Varsity home games.
- This vote is to approve the purchase of 3 Go Pro Max cameras and the cords/accessories needed to use on the field.
 - This would allow us to add an additional camera in the outfield.
 - The amount we are asking for to cover the 3 Go Pro Max cameras and cords/accessories is \$2,000

Vote #2

- Asking for \$3,000 to purchase a Junior Hack Attack Baseball Pitching Machine as well as 2 sets of extended leg kits

Player Meals

Shannon Soliz

Player Meals

- Player meals are optional but highly encouraged to make sure your son eats before each game!
- We expect the meal plan to be around \$320 this year which includes:
 - A meal each week day game
 - A meal each weekend when there are 2 more more games that day
 - Breakfast tacos before early morning games
- Meals are provided from a variety of places such as Chick Fil A, Tropical Smoothie, Sharks Burger, Canes and more!

Concessions

Shannon Soliz

Concessions

- Concessions are one of our largest fundraisers and we need everyone's help to make it run!
- We ask every family to cover 3 shifts throughout the season.
- Once tryouts are done we will release a sign up genius allowing you to sign up for the 3 slots you would like.
- This will be open for 1 week. At that point, anyone who hasn't signed up, we will go ahead and sign you up for the open slots.
- It is completely fine to have an older sibling or grandparent do your shifts for you.
- It is also okay to ask a NHS student to do it for you and then we will sign their sheet for volunteer hours!

Practice Gear

Suzie Meier

Practice Gear

- For those of you who want to order additional practice gear, we will open the practice gear store again for a short period of time as soon as tryouts are done.
- A link will be sent out when the store opens and it is important you order right away as we need to close the store quickly to get the items here as soon as possible.

Fan Gear

Jacqui Niedzwiedz

Fan Gear

- We are working on Fan Gear for this Season.
- This year we will go through BSN using direct ship so it is shipped directly to you.
- We will not carry excess gear as we have nowhere to store it so make sure you purchase what you would like when the online store is open!
- Store will be open for about one week at the end of January to allow the 3 to 4 weeks for the items to arrive.

Team Photos

Suzie Meier

Team & Individual Photos

- We will be working with A2Z for our team and individual photos again this year!
- JV2 and JV1 will have their photos taken at the start of the baseball period on Wednesday, February 14
- Varsity and Seniors will have their photos taken at 10:00am on Monday, February 19.
 - There is no school this day but the boys will still come in for practice so the photos will be taken before practice that day.
- Once the photos have been taken, A2Z will upload them online and give us a link where you can purchase any of the images you would like for download.

SHN and A2Z

Suzie Meier

SHN & A2Z

- We are excited to be working with SHN again to provide our Varsity game live streams and with A2Z for all of our photos during the season!
- SHN
 - SHN provides a live feed of all of our Varsity district games. This allows you to watch the games if you aren't able to be there as well as friends and family across the country!
- A2Z
 - A2Z not only provides the individual and team photos for our players but they also provide photos and videos throughout the season of our kids during games for all 3 teams!
 - These photos can also be purchased online
 - A2Z also does social media posts before and during our district games! - All district games for Varsity and home district games for JV

Communications

Suzie Meier

Communications

- We will communicate through Stack Team App and Email throughout the season.
- It is very important you pay attention to both and make sure you are signed up for both.
- Stack Team App
 - Download the App on your mobile device
 - Search for Rouse Baseball in the App
 - Choose “Parents & Guardians” as your group
 - Be sure to include who your child is so we approve your request when it comes in.
- Email
 - If you are not currently getting the emails we are sending out, please let Suzie know so she can get your email added.
