

If you want to be the best baseball town you need to know the best ever, the Hall of Famers who played here. The Cardinals only have 13 players painted on the outfield wall. There are 55 Hall of Famers who played for the franchise. There were 15 Hall of Famers who played for the Browns and five for the Negro League Giants and Stars. Here are their stories in an impressive walk through the history of the game where fans will realize that some of the biggest names in the game left a mark with their roots in St. Louis.
