

Warren County Public Schools
Parent Transport Release Form

Student: _____ **School:** _____

As the parent/guardian for the listed student (hereinafter referred to as "my student"), I agree to transport my student to/from the extracurricular school events [including athletic contests/practices] that occur during the school year for which transportation is not provided. I assume the responsibility for transporting my student to these activities and release Warren County Public Schools, the Warren County Board of Education, _____ School, and their employees, agents, directors, officers and representatives, from any liability in connection with transporting my student.

I do carry auto insurance to cover passengers in my vehicle in the event of an accident.

I understand that this release form only pertains to my transportation of my student to/from Warren County Public School activities. I further understand that Warren County Public Schools does not have the authority to prevent me from transporting other students to/from school activities or for arranging for other individuals to transport my student. I acknowledge that if I elect to have another individual transport my student to an activity, that decision is solely an exercise in my discretion as a parent of guardian. Any agreement made by me and others to transport their student(s), or for them to transport my student, is a personal agreement between the two parties.

I agree to hold the Warren County Public Schools, Warren County Board of Education, their employees, agents, directors, officers and representatives harmless from any and all damages, injuries, or other liabilities that may be created and/or caused by the transportation that I have chosen to provide for my student relative to the activity referenced herein.
