TAFT HIGH SCHOOL

BUS RELEASE FORM

Parents are advised that if they wish to have their son or daughter released to them after a game, they must complete and submit this form to the Assistant Principal in charge of Athletics for signature ONE DAY PRIOR to the game.

Once the Athletic Assistant Principal signs this form, it will be returned to the Head Coach. The Head Coach will take this form to the game.

The parent and the child must have face to face contact with the Head Coach of the game and specify that he or she (parent) will be taking full responsibility of his or her child.

The coach will then release the child to that parent and only that parent.
