

Wolf Pack Spring Baseball Parent Packet

Spring 2025

Dear Parents and Players,

Spring 2025 is here!

Timber Creek baseball has established itself as one of the top programs in the area both on and off the field. Just like in the Fall we continue the tradition of excellence coincides with our expectation on how to continue to move this program forward. To do that, we will be using a proven model from some of the biggest names in baseball in Central Florida and the Southeast. We want to emphasize that School/Academics come first. We will strive to have every player over a 3.0 GPA and to break records as a team academically. Our expectations for character both on and off the field will be high. Respect for the game and others will continue to be a staple. We will work hard and be known by our opponents for our grit and competing between the lines. Development is key and we will continue

We recognize the vital role you, as a parent, play in making our high school program successful. The entire coaching staff will encourage parents to support our program in any way they can. We will always be in need of volunteers in the concession stands, collecting gate fees, taking pictures, facilities improvements, and participating in the various fundraising activities held by the program. These are great ways to support our program and players to ensure our continued success.

Included in the remaining portions of the packet are more details about the 2025 Baseball program including schedules, fundraising, equipment and much more. We will have more opportunities throughout the season and will share them as they come.

We look forward to a great season!!!
