

WEST BROWARD BOBCATS BASEBALL
PEMBROKE PINES, FLORIDA

To Our Prospective 2019 Bobcats Baseball Sponsors:

"A baseball club is part of the chemistry of the city. A game is not just an athletic contest. It's a picnic, a kind of town meeting." - New York Yankees President Michael Burke

No matter what the sport is, who the player is, the team they play for, or the school they attend, none of it would be possible if it weren't for an organization of volunteers and supporters who are willing to step up when needed. The West Broward Bobcats Baseball Booster Club is one such organization.

As we enter our ninth season of high school baseball, the West Broward Bobcats Baseball Booster Club continues to dedicate and make a priority of strengthening the lives of the youth that participate in our baseball program. Our status of being a 501(c)(3) non-profit organization enables us to assist our coaches and players to keep their focus on the field, while we handle the off-the-field operations.

This is where your support comes into play.

One of the major parts to having a successful high school baseball program is having top-notch facilities and equipment. The expense of maintaining a baseball program is greater than one might expect. Field equipment, facility materials, and other equipment necessary to provide an environment beneficial to producing a competitive team is a significant expense. Budget cuts in education have forced athletic programs to fundraise and find sponsorships in order to cover these and other costs. This is where our booster club comes into play.

Our West Broward Bobcats Baseball Booster Club understands our goals and what is needed to keep our program moving in the right direction. Depending on what level of sponsorship or donation you select, your name and organization will be a prominent part of the West Broward Bobcats Baseball program. This not only provides a platform for our children to display their talents and passion for baseball, but it provides an outlet for the community in general. High school athletics is still a wonderful way to support and enjoy a positive family atmosphere with friends and neighbors.

We thank you for your consideration to our request. We look forward to your sponsorship and/or donation to our West Broward Bobcats Baseball Booster Club. We are looking forward to an exciting 2019 season of baseball.

Sincerely,

Patrick Webster
President
West Broward Bobcats Baseball Booster Club
