

The 2024 Rockies tickets are now officially ready for sale! We are extremely fortunate to be able to sell Rockies tickets for the 2024 season. As we did last year, we are selling "game vouchers" rather than tickets to individual games. Each voucher is \$50 and includes a unique offer code redeemable for 2 seats to select 2024 Rockies home games (70+ eligible games). Each voucher is redeemable for either 1 or 2 seats per transaction. Voucher codes will remain active until both tickets have been redeemed.

The Rockies Voucher Fundraiser is the single most important in season fundraiser source to cover the operating expenses of the Grandview baseball program. Please consider selling vouchers to your family, friends, neighbors, co-workers, and/or local businesses.
