

Brewer Travel Basketball Club

2025/2026 Season Player Evaluations

Saturday, October 4, 2025

Brewer High School Gym

Brewer Travel Basketball Club is providing an opportunity for boys and girls from Brewer and sending communities of Brewer High School to try-out for grade and gender appropriate teams. The Club's intentions are to provide a competitive environment for kids to play and improve their basketball skills.

Player evaluations will be conducted to evaluate skills for team selections and determine individual player's preparedness to play at the competitive level of the Eastern Maine Basketball League. Cuts may be necessary when numbers exceed the available spots for each team or when a child is not yet prepared to play at the level of the league's competition or exudes attitudes and behaviors that are deemed detrimental to the growth and development of the team as a whole.

Commitments by players and their families will be expected throughout the entire season starting in early November and finishing in March. This program is designed for players committed to a higher level of competition

Player Evaluations – Schedule

Boys	Grade 3-4	9:00am - 9:45am
Boys	Grade 5-6	10:00am - 11:00am
Boys	Grade 7-8	11:15am - 12:15pm
