# TRAVEL BASKETBALL Guidelines 2021-2022

The Bangor Parks and Recreation Department is committed to keeping participants, guests and staff safe during these unprecedented times as we deal with the Covid-19 pandemic. To ensure the safety for all, the guidelines below must be followed during any BASKETBALL game, practice and/or any use of our facilities.

- Face coverings **must** be worn at ALL times when inside the building... including spectators, players, coaches and officials on and off the court.
  
- Spectators, players, coaches and officials agree NOT to enter Bangor High School and/or the Bangor Parks and Recreation Center if they have symptoms or exposure risks listed by the CDC guidelines.
  - We ask that guests do not go to other areas of the building except for the closest restrooms available.
  - Face coverings can be removed for eating and drinking ONLY. Eating and drinking should take place in one area and not moving about the room or building.

*All guidelines are subject to change as new information is brought to us.  
We will do our best to inform all teams to any changes.*
