### Canton Sports has moved into The Factory

Canton sports has been serving the surrounding communities since 1976 providing **Varsity Jackets, Team apparel** and **sporting goods** to local athletes. I bought both of my kid's varsity jackets and baseball gloves from them. They have now moved into our facility, which will allow us to better serve our athletes, and will draw many more gifted athletes to our program and facility.

### Amani is Back at The Factory

She is already working with many of the areas top athletes. She will be assisting with our skills sessions and offering classes, as well as small group and individual training sessions.
