

## November 2019 Newsletter

### Factory Middle School Winter Tryouts:

**November 9, 2019**  
**6<sup>th</sup> & 7<sup>th</sup> Grade 12:00-1:30**  
**8<sup>th</sup> Grade 1:30-3:00**

We are still looking for a few committed players to finalize our winter rosters. Register online. We request all current players to still attend the tryouts.

### Parent Meetings:

We will be conducting our team parent meetings Sunday Nov 10<sup>th</sup> and 17<sup>th</sup>. Times are listed on the November Calendar. **We need one representative from each family to attend.** We will go over our proposed schedule, our vision, estimated budget, etc. for the upcoming season(s). **Please make sure you attend.**

### Player Fee Deposits are due:

We just wrapped up our Fall Season and still have nearly \$2000 in uncollected player fees from the fall season and another \$2000 in uncollected fees from the Spring/Summer. As you can imagine this puts an incredible strain on our already tight budget. We can not sustain this. Going forward, we will be collecting all player fees before players are allowed to participate in events. If you have not already submitted your \$250 deposit for the middle school winter season, or for the Spring/Summer season, we need you to do so this week, or bring it with you to the Parent meeting. For the Winter season, we will be collecting deposits now, with the balances due by Jan 1. For the Spring/Summer season, we will be collecting \$250 deposits now, 2<sup>nd</sup> payments by Jan 1st, 3<sup>rd</sup> Payments by Feb 15<sup>th</sup>, and Final payments by March 15<sup>th</sup> so that all balances are paid by the time of our 1<sup>st</sup> event.,

### The Mental Game & The Next Level Classes

We will be offering our classes "The Mental Game" and The Next Level (for players and parents) Sunday November 24<sup>th</sup>. This will be the last time they are offered this year. Don't Miss out.

### November Class & Training Schedule is now Online

Reminder: There is no team practice/training this month. However, we have created a class schedule full of opportunities including expanded hours to shoot on the Gun.

### Factory Golf is on the Way...

To better utilize our space, we will be launching Factory Golf this winter. I will be traveling to Atlanta later this month to pick up our Top of the Line Golf Simulator which will be located upstairs. We will also have 4 hitting bays and a 24' x 42' mobile putting green for chipping & putting. Work on your swing or short game while supporting the Factory this winter. Pre-paid packages are now available online.
