### 2021 Junior High Camp

I would like to personally invite you to attend this year's Junior High Basketball Camp. The purpose of this camp is to teach young players the skills and drills they need to be successful not only as a Jackson Lady Indian, but also as an individual. Our staff will be on hand to work with each camper. We will also have several current players working as camp counselors. Thank you and I look forward to seeing everybody at camp!
