### Details:

Keep it Digital guarantees that during the 2020-2021 season that Keep it Digital will cover a minimum of 5 games of your team. The 5 games that will be covered are at Keep it Digital discretion (if you would like to request specific games be covered this may be done at a different rate - make arrangements with Keep it Digital).

Upon signing up for Action photo service Keep it Digital will capture photos of your player during specified number of games that are covered at your selected service level. The coverage is not "exclusive" to your son or daughter as we cover the game, however upon signing on we will make a special effort to focus on capturing shots of your son or daughter for this service.

For the included number of games - You will receive **ALL** photos that your player is the "PRIMARY" person featured. The photos will be provided to you in digital format.

*Please note - Group photos, non-action photos are not included in this service agreement (except for Full Season packages in which some non-action photos may be included). Any non-action/exception photos of your son or daughter may be purchased separately.*

**(\*Season Pkg - You receive ALL Digital photo for Player captured by Keep it Digital during the season - This package is not limited to just game photos, but also includes any candid photos taken of player during the year, i.e. pre-game/post game, special nights such as Senior/Parent Night/etc). Formal Team Portraits not included. If Keep it Digital does not capture photos at a minimum 10 games as part of the season package a portion of your payment will be refunded (If this should occur - \$30 per game less than 10 will be refunded at conclusion of season). Any games above 10 are included at no additional cost as part of the season package (Playoffs included)!**

**Delivery:** The photos of your daughter/son will be uploaded to a website where you have private access to download them all. If you choose to share the photo publicly on the site provided that is at your discretion to share the password that will be provided.

For non-season packages, after 5 games have been covered and the photos for specified number of games have been delivered this agreement will be considered complete. Season packages will conclude with end of Season.

*This agreement is final and may not be cancelled/refunded after delivery of the first set of photos has taken place. Prior to 1st set of photos being delivered, payment is fully refundable.*
