### CYM League Online Registration Site Open for the 2016-2017 Program Year

The CYM league online registration for the 2016-2017 program year is now open.

If your child participated in the 2015-2016 program year, please do not create a new account. The username (email address) and password from last year must be used to update your child(ren)'s registration for the current program year. Use the [forgot password](#) link if you do not remember the password for your household account.

CYM Staff will check for duplications and delete duplications that are discovered. All parents/guardians and children must be listed under one household to avoid duplications.

New Families registering for the first time must create a household registration. Only one parent/guardian needs to create the account to register the athlete(s). Additional adults can be added to the household registration to access the registration of the athlete(s). PLEASE CAREFULLY REVIEW THE INFORMATION BELOW BEFORE PROCEEDING. FAILURE TO DO SO MAY IMPACT YOUR ABILITY TO COMPLETE A VALID REGISTRATION AND/OR IMPACT YOUR ABILITY TO BE PLACED ON THE APPROPRIATE TEAM.

Please answer the following questions before proceeding:

1. Is your child enrolled at St. Mary Magdalen School?
2. Are you a registered member of St. Mary Magdalen Parish?

If you can answer "YES" to any ONE of these questions please proceed with the online registration.

If you answer "NO" to BOTH questions please e-mail [SMMSportsRegistration@yahoo.com](mailto:SMMSportsRegistration@yahoo.com) to obtain further details and instructions. If you register without approval your registration will be deleted from the system.

However, if your child has played SMM sports in a prior season and the CYM has assigned your parish affiliation as "St. Mary Magdalen" you do NOT need to send an e-mail. Simply proceed with registration and be sure to select a "non-parishioner" package at the end of the registration form.

Definition of Registered Parishioner - A registered parishioner is one who has been active, participating, and registered in St. Mary Magdalen Parish for at least one year.

Note: If you receive monthly offertory envelopes through the mail this likely means you are a Registered Parishioner. Also, even if CYM has assigned your parish affiliation to be St. Mary Magdalen, this is does not mean you are necessarily a Registered Parishioner. These are two separate issues.
