

SOCIAL MEDIA GUIDELINE

The Taunton Youth Basketball Association strives to create a safe environment for our participants and volunteers of all capacities. To this end we will adopt a Social Media Policy that directly relates to the MetroWest League Policy.

Social Media Policy:

Coaches, Players, Officials and Coordinators are prohibited from posting anything on Social Media – direct or implied – that could be implied as negative, critical or derogatory in reference to any specific MetroWest affiliated individual/teams other than his or her own self or children. Positive comments are fine of course.

Posting critical comments on officiating on a Social Media platform is prohibited by anyone affiliated with a MetroWest team. Much like professional sports, college sports or MIAA (Massachusetts HS sports) commenting on officiating via any media platform (print, electronic, social or otherwise is not allowed. Suspensions will be given for any such activity.

Any offense of this guideline will result in a game suspension for the first offense and removal from the league for the second offense. This includes spectators, parents, coaches, coordinators and players.
