Dear Prospective Sponsor:

We are excited about the upcoming 2025-26 Thousand Oaks High School Girls Basketball season! Our program has grown substantially in the past few years and we look forward to our players' continued development this season. Last year, the program reached the playoffs for the first time in several years, only to fall to the first ranked team in the division.

Thousand Oaks High School (TOHS) Booster Club ("TOHS Booster Club") is a locally based non-profit organization supporting the sports programs at TOHS. We provide funding to cover program expenses such as coach stipends, strength and conditioning training, transportation, uniforms, court access, equipment, and much more. Unfortunately, the school district funds just a small portion of the total cost to run our entire program. Therefore, to assist us with meeting our financial demands, we seek help from generous local businesses and individuals like you who value all that high school sports have to offer. As a public high school, TOHS provides an equal opportunity for all to participate in a sport, regardless of a family's ability to financially contribute to the program.

We kindly ask that you consider sponsoring our program for the 2025-26 season. We offer three levels of sponsorship with various benefits, such as promoting your business on our website, social media, and videoboard at home games, as well as discounts on tickets, concessions and spirit wear (please see the attached document for details). Also, since we are a 501(c)(3) organization with an EIN of 95-6153775, your contribution is tax deductible to the extent permitted by law (please consult your tax advisor).

We greatly appreciate your support and commitment to the development of our student athletes. Please feel free to contact us with any questions. Thank you again for your consideration and support of the TOHS Girls Basketball Program!

Sincerely,

Amy Wang
