

AVONWORTH FOOTBALL BOOSTERS

Dear Business and Community Leaders,

The 2023 Season is approaching quickly! Our coaches and players are working hard this off season to prepare for another great year. The 2022 season resulted in playing for the WPIAL Championship against Belle Vernon, the eventual 2022 3A State Champions. We couldn't be prouder of our players and coaches. We are looking for your help to make another great run in 2023. While our school district provides for our program, there are additional items needed. That is where YOU, our loyal sponsors and fans, can help. We are adding new options this year to our sponsor packages. Here are just a few of the items your sponsorship will go towards this season:

A new endzone camera to give our players multiple angles to be better prepared for their opponents.

Water, Gatorade, and meals during camp and Thursday night Team dinners during the season.

Funding the graduating Senior Scholarship Program.

A Trailer to carry equipment for our away games.
