We have read and understand the bylaws regarding transferees below.

Section (F) Transferees

1. It is the responsibility of each organization to inform and to inquire of each player and his/her parents the following provisions of Article (2) Section (F) Sub-Sections two (2) through four (4) of these By-Laws.
2. If two (2) teams represent a school district, transfers will only be permitted if the player and parents sign a letter of intent to play for that particular team for a consecutive two (2) year period. Failure to uphold the terms of the letter of intent will result in the player sitting out the remainder of the two (2) year period.
3. No transfer is permitted outside of a school district by any player unless, he/she has moved to another location, and has not played for any other organization within the Beaver County Youth Football League for at least one (1) year.
1. Transfers will be permitted if agreed upon by both organizations and a President approved 'B.C.Y.F.L. Player Transfer Request Form' is on file with the League prior to the league established Midget weigh in date.
4. On transferees, a President approved 'B.C.Y.F.L. Player Transfer Request Form' is required to be on file with the League prior to the first regular season game.

We have attached the required evidence to support the transfer.
