COACHES / STAFF

Anthony Orrick
Head Coach/Defensive Coordinator

Coach Orrick pursued coaching after college, lettering four years as a linebacker at Fort Hays State University, where he had received a scholarship. His career in Blue Valley schools began as a linebacker at Blue Valley High. After graduating as a two-year letterman in 1996 and playing at FHSU, Orrick coached defensive teams from 2001-2009 at BV North, Blue Valley, and Spring Hill, becoming head coach there from 2009 to 2014. He became head coach of the Timberwolves in 2015.

Coach Orrick is married to Beth, and they have three sons, Luke, Max, and Ben.

Brandon Hawks
Asst. Head Coach/Offensive Coordinator/QBs

Coach Hawks joined BVSU in 2015 after coaching at Shawnee Heights High School in Tecumseh, Kansas. He played running back and linebacker at Oskaloosa High School, and impressively walked on at KU and played defensive back.

At Southwest, Coach Hawks channels his former coaches who pushed him to realize he was capable of more than he thought he was, now helping the Timberwolves believe the same every day.

Coach Hawks is married to Megan, and they have one son, Jackson, and a daughter, Josie.

Dustin Barnes
Special Teams Coordinator/Defensive Backs

Coach Barnes joined the Timberwolves coaching staff in 2015 and currently serves as a special teams coordinator and defensive backs coach. Before SW, Barnes coached at Spring Hill High. He played wide receiver, defensive back, and kick return at Elkhart High School in Kansas.

Coach Barnes is married to Jen, and they have two boys, Bradley and Bo, who "love playing sports and especially love the Timberwolves."

COACHES / STAFF

Justin Barlett
Offensive Line Coach

Coach Barlett began with the Southwest freshman coaching staff in 2017. He played high school linebacker for Olathe North on a team that was both state champions and runners-up.

Even as a player, Coach Barlett always saw the game from his coaches' perspective - playing smart and seeing his role on the field as an extension of them. Passing that skill to players is one thing he loves about coaching. However, seeing them grow throughout their high school years as students, athletes, and people is his favorite part.

Rich Troxel
Running Backs Coach

Coach Troxel joined our football program in 2015, continuing his extensive 36+ year coaching career at middle and high school levels in Colorado and Kansas.

Locally, he has coached at Shawnee Mission NW, Shawnee Mission West, Blue Valley, and Blue Valley NW before joining the Timberwolves. He currently coaches varsity running backs.

Coach Troxel is married to Angi, and they have one daughter, Bronwyn.

Tanner Allin
Linebackers/Strength Coach

Coach Allin played high school football at Lee's Summit HS and went on to play collegiately at the University of Central Missouri.

Coach Allin's favorite part of being a coach is challenging athletes to do their best and be a positive influence as they mature into adulthood.

When he is not on the field coaching the Timberwolves, Coach Allin can be found managing Boost, a sports performance company.

COACHES / STAFF

Brad Cook
Tight Ends/Fullbacks Coach

Coach Cook's football coaching career at BVSW began in 2024, after coaching at Aubry Bend Middle School since 2013. Coach Cook's journey in football began at Blue Valley High School, where he played as a quarterback. Although a back injury cut his playing career short, the experience he gained on the field left an indelible mark on him.

Outside of his professional life, his hobbies include working out, cooking, and gardening. In addition to his coaching role, Coach Cook teaches 8th grade math at Aubry Bend Middle School. He is married to Rachel, a teacher at BVSW, and together they have two children, Jace and Aubry.

Marc Boerigter
Wide Receivers Coach

Coach Boerigter brings a wealth of experience from his eight-year professional career in the CFL and NFL, including four years with the Kansas City Chiefs. Originally from Hastings, NE, Marc played football in high school and at Hastings College.

Off the field, Marc spends time with his family. His wife, Brittany, is the head girls' and boys' varsity volleyball coach at Lee's Summit High School. Marc has two children: Macie, a sophomore at the University of Nebraska, and Lincoln, a sophomore at Blue Valley Southwest.

TJ Taylor
Wide Receivers Coach

Giving back and sharing his character-building experiences with student-athletes is what led TJ Taylor to pursue a coaching career. He played wide receiver at Mattawan High School in Michigan.

His passion for coaching bloomed early due to both his love of the game and some unfortunate injuries that prevented him from playing in college.

Coach Taylor resides in Louisburg with his wife, Jenna, their 1 year-old son, Beckett, along with their two Golden Retrievers --- Piper and Heinz.

Photos by Mike Sorbin Photography

COACHES / STAFF

Colin Settle
Offensive Line Coach

Coach Settle played high school football in his hometown of Hillsboro, Kansas, and worked as an analyst and broadcaster at Kansas State before graduating with a degree in Sports Broadcast Journalism.

Along with coaching the Timberwolves, Coach Settle works as a producer for 610 Sports Radio. He spends most of his time off the field playing guitar or playing video games with his brother, Camden.

Tyler Pierce
Defensive Line Coach

Coach Pierce is from Gladbrook, IA, and excelled in high school football as a tight and defensive end. Despite being from Iowa's smallest 11-man football class, his team won the state championship in his junior and senior years. Tyler continued playing football at Northwest Missouri State University, playing defensive end.

Coach Pierce lives in Bucyrus with his fiancée, Sophie. In his spare time, he enjoys watching football, basketball, and golf, especially the Steelers and Northwest Missouri State and loves to golf whenever possible.

Molly Franko
Athletic Trainer

Molly has been the football team's athletic trainer since May 2023. She partners with BVSU athletics through her employment with the University of Kansas Health System - Sports Medicine Department, where she has worked since August 2021.

Molly's journey into athletic training began during her high school years when she experienced multiple concussions. The support and connection she felt with her athletic trainer at that time left a lasting impression, inspiring her to pursue a career that combines her passion for sports and healthcare.
