We are Sparta, You are Sparta!!!!

Local sponsorships and donations are essential for our program. Our athletic programs are provided very limited funding by the Cobb County School District, and we try to keep fees low so that all boys can play. The boys are excited to kick off the season, but they still need: pre-game meals, travel support, jerseys, helmets, shoulder pads, field equipment, and concessions equipment to name a few of much needed items.

Please, consider one of our sponsorship levels where you can support our program for many of these items. Campbell High, the only public high school in Smyrna, has families and friends that can see your banner and hear your name at the biggest sport in Georgia, football. Shopping local starts with supporting local organizations.

Thank you for your time and if there is anything, we can do for you please reach out to the Campbell High School Football Booster Club.

Have a great day,
