

The Eric Glasco Foundation Fund

Eric Glasco served as a faithful member of the Board of Directors of FUN Football Inc. During his many years of service, he contributed in many ways to keep FUN Football an effective means to teach young children life skills. Through those years, while experiencing failing health, he continued to volunteer and serve unselfishly. In addition to his many gifts he was an accomplished writer and poet.

The Eric Glasco Fund extends his legacy and family's commitment to give to our community and enable change in the lives of others. The foundation will be administered by FUN Football with Glasco family participation, for as long as they choose to participate.
