

**Highland Youth Football & Cheer  
Fee Waiver / Sponsorship Application Form  
Season: 2025**

Highland Youth Football & Cheer is committed to providing opportunities for all children to participate in our programs, regardless of financial circumstances. Fee waivers and sponsorships are available on a limited basis for families experiencing financial hardship.

All applications will be reviewed by the Highland Youth Football & Cheer Board of Directors and kept confidential. Please note that sponsorships are awarded based on prior award history and are generally limited to those who have not received a waiver or sponsorship in a previous season.

In the spirit of community and teamwork, we ask that any parent or guardian receiving a waiver assist in giving back to the organization by volunteering their time during the season if possible.

**All submitted information will be kept strictly confidential.**
