- Concessions will look different this year. 6 new chair committees have been added this year
 - Kelly Huffman will oversee process. He will provide direction to the committee chairs. This position will evolve. The six chair positions are as follows:
 - Purchasing Chair- do not need to go to concession stand; will handle purchases for concession stand- candy ordering, pretzels, etc. Responsible for making purchases. Work with concessions chair.
 - Hot food Chair- Make sure hot foods(chick fil a, hot dogs, taco meat) show up on game nights. May include picking up and delivering Chick-Fil-A sandwiches if the restaurant won't deliver)
 - Opening Chair- oversee opening and closing concession stand on game days. Will not need to work the stand but will need to ensure stand is unlocked and that hot food is turned on and concessions is set up for business
 - Closing Chair- Be available to close concessions post game; Will also be responsible for counting money with Brad Spencer (who will then take money for deposit)
 - JV concessions Chair- will align with all other chairs – schedule is opposite Varsity schedule in terms of Home / Away games. These games are usually Saturday morning so hot food is less involved. Usually consists of donuts / bagels and sometimes hot dogs (if game is later morning)
 - Please contact Kristin Hasley or Kelly Huffman if you are interested in any of these positions. This will fulfill your volunteer responsibility for the season.
- There are still committee spots available! We will send out the committee chair doc. Please keep your eyes open for this and sign up as soon as possible. Please let any of the board members know if you have questions regarding committee responsibilities, etc.
