*info@gameonphoto.com*  
*www.gameonphoto.com*

## WHAT DO I NEED TO DO ON PHOTO DAY

Be on time! GameON will confirm the photo day and time you scheduled by email. Please tell your team to arrive at least 10 minutes before that time. Since teams are scheduled throughout the entire day, there is little time to wait. Your team will start being photographed at your scheduled time, so please be on time, if not early.

When you arrive on Photo Day, be sure to find your coaches and team members and stay together. Please check in at the designated sales area. We will also be looking for coaches/photo representatives to help you check in. This sales area is where we collect order forms, make change, run credit cards, hand out information, and answer any questions your team or parents may have.

After check-in, please keep your team organized so when your time comes, we are ready to begin immediately. Players will have a photo card with their name on it in hand to make an efficient transition from individual photos to team photos. Please bring one prop specific to your sport (volleyball, bat, football, basketball, etc.) to use for individual photographs.

## WHAT METHODS OF PAYMENT DO YOU ACCEPT

GameON accepts cash, checks, visa/mastercard/for your convenience. Since we manage our own photo processing, our products are delivered quickly, often before checks have cleared. Therefore, GameON Photography utilizes a collection company that resolves all returned checks since products are delivered assuming payment has been honored.

## DO I HAVE TO PAY FOR PHOTOS ON PHOTO DAY

Yes, payment is required on Photo Day. Coaches and parents can view and print order forms prior to Photo Day. Please complete and bring this form with payment on Photo Day. .

## WHEN WILL I GET MY PHOTOS

GameON orders will be shipped in less than 14 business days. Orders will be shipped directly to the Team Photo Representative.

## WHAT IS A MEMORY MATE

Please visit our website at [www.gameonphoto.com](http://www.gameonphoto.com) to view all of our customized products.

## WHAT IF I CANNOT MAKE IT TO MY TEAMS SCHEDULED PHOTO DAY

We can still take an individual photograph of your athlete during any of our Photo Days scheduled for your organization. Just inform one of our team members of the situation when you arrive.

## CAN I SEE MY PHOTOS BEFORE I MAKE MY ORDER

Unfortunately you cannot. We traditionally use a pre-pay system where you need to place the order and make payment first. This being said, all of our work comes with an Satisfaction Guarantee, so if you are not thrilled with your photographs, you will receive a refund or can schedule a retake at your request.

## WHAT IF THERE IS SOMETHING WRONG OR MISSING WITH MY ORDER

Either call us at 412.837.2994 or contact Our Customer Service available 9am-2pm, Tuesday-Saturday.
