The Riverdale football staff would like to invite everyone interested in football entering in school the fall of 2018 to participate in our summer football camp. This is a non-contact camp focusing on teaching the campers the fundamentals of all positions on the football field. These young players will receive individual and group instruction on offense, defense, and special teams during the camp. We emphasize the fundamentals of football as well as talk daily about how being a good student, person, and citizen is important to being a successful football player. I hope your child is able to join us and help us to work towards rebuilding a successful program and uniting a community.
