Dear Alumni, Family, and Friends of West Allegheny Football

The West Allegheny Coaching Staff and current members of the West Allegheny football program cordially invite you to our 2025 Memorial Gridiron Classic. As always, the driving forces behind this outing are the student-athletes who put in a great amount of time and effort to make this program successful—both on and off the field. Our goal is not only to provide a first-class experience for everyone involved, but also to honor four influential contributors who were instrumental in building foundations and the traditions of the West Allegheny football program; Guy Rippole, Gil Palko, Dennis Cornell, and Mark Davis.

The only way we can continue to make this such a great event is through your continued support. Whether you are interested in golfing, sponsoring, or both we greatly appreciate your contributions each and every year. For those interested in sponsoring, we have set up three possible ways for you to contribute. Listed below are explanations as to what you as a business owner and valued supporter would receive in return for your contribution. We would like to express our gratitude in advance for your continued support. It is only through your efforts that we can provide our student-athletes with the opportunities they deserve for their tireless effort and hard work.
